

Thank you for purchasing from BullsEye Telecom.

This guide will help you to understand and operate your new IP Phone. Please print this guide and keep it handy!

- 1) **Receiver** – This is the receiver.
- 2) **Keypad** – Enter numbers, letters, or special characters.
- 3) **LED Indicator** – Flashes red to indicate you have an incoming call or a new message.
- 4) **Touchscreen** – Select items and navigate menus on the touch-sensitive screen.
- 5) **Mute Key** – Press to mute or unmute the microphone while on a call. The LED indicator glows red when the mute feature is activated.
- 6) **Speakerphone Key** – Toggle the speakerphone on or off for hands-free calling. The LED indicator glows green when the speakerphone is activated.
- 7) **Headset Key** – Toggle the headset (if attached) on or off. The LED indicator glows green when the headset is activated.
- 8) **Volume Control** – Adjust volume level of the ringer, handset, speaker phone, or headset.
- 9) **Messages Key** – Press to access voicemail messages.
